

SUNBLOCK

It's that time again! It is important to keep our little ones skin protected during these hot summer months. We are asking that each family bring their own individual bottle of sun block to be kept here at camp/school, if you wish for sun block to be re-applied. The bottle should be clearly labeled with child's name. Please complete the attached permission slip.

Please remember to apply sun block at home every morning before coming to camp/school. We will re-apply as needed.

Thank you!

Child's Name: _____

Date: _____

_____ Yes, I' give permission for a staff member to help my child put on the sunblock which was provided by me.

Parent Signature: _____
