

**Horsham
Family Newsletter
October 2018**

The child is not an empty being who owes whatever he knows to us who have filled him up with it. No, the child is the builder of man. There is no man existing who has not been formed by the child he once was."

Educating the Whole Child

Dear Parents,

It is hard to believe that September has come and gone, and we are quickly welcoming in October. The students at MCH Horsham have settled into the beginning of the new school year beautifully. The hallways are busy every morning with children arriving and preparing for their day at school... backpacks are hung on their hooks, lunch boxes placed carefully in cubbies, and bright smiles are (on most) of the children's faces. It only took a few weeks for the students to settle back into their routines and familiarize themselves with their surroundings. In the classrooms, teachers are giving lessons and children are working quietly discovering new work on the shelves and revisiting old favorites.

October promises to be another month full of school activity. All our weekly specials will begin this month. The children will begin yoga, French, and music lessons, along with gym class and our beloved library days! Special thanks to our parent librarians, who volunteer each week for library time at school.

Also, get your smiles ready for School Pictures and fall into fun with pumpkin patches and the Primary Halloween Parade coming at the end of the month. Kindergarten parents remember to sign up for conferences beginning October 8th – October 11th, 2018. The signup sheet will be right outside the Kindergarten room!

Thank you to all the families who were able to participate in our Back to School Night, it was wonderful to meet new families and reconnect with returning ones. Building partnerships with your teachers and school staff is key to a successful year for your child. Thank you again for taking the time to spend an evening with us here at school.

Some final reminders...

The days are growing cooler. Please send your child in layered clothes, so they are comfortable throughout the day.

Remember to check the mailboxes outside the classrooms for important school information.

We will be closed for school on October 5, 2018 for an In-Service day. Supplemental care is also closed.

All my best,
Amy
