## What Parents Are Saying

"I feel my daughter learns something new every day; whether it is camp in the summer or during the school year. I am happy we choose Montessori. I share this with every parent who asks me. We made the right decision!"

Sullivan Family

"I had expected my son to have a good time playing with other kids at camp but when he came home talking about rescue animals, geodes, chemical reactions, water slides, digging for fossils, puppet shows, animal shows and so much more, I was blown away!"

Burns Family

*"Children become like the things they love."*
